. . . Is to save everyday till' eternity passes away

Just to spend
them with you. . .

We've come a long way since the times of the one room school houses. Now the calculator has replaced the once indispensable slate board. But one thing about high school has not changed; as freshmen we still look forward to 4 years of promises, loves, fears, tears, and hopes to be fulfilled. Many of these dreams will come true. . . many will not. But whatever times are experienced in these 4 short years we will remember, cherish, and always look back and wish that we could put this "Time in a Bottle".

Eney,

Meney,

Miney,

and Moe.

. . . If I could make days last forever,
If words could make wishes come true. . .

We ain't got a barrel of money, our clothes are
ragged and funny, but we carry along singing our song,
Side by Side.

. . . I'd save everyday like a treasure and then,
Again I would spend them with you.

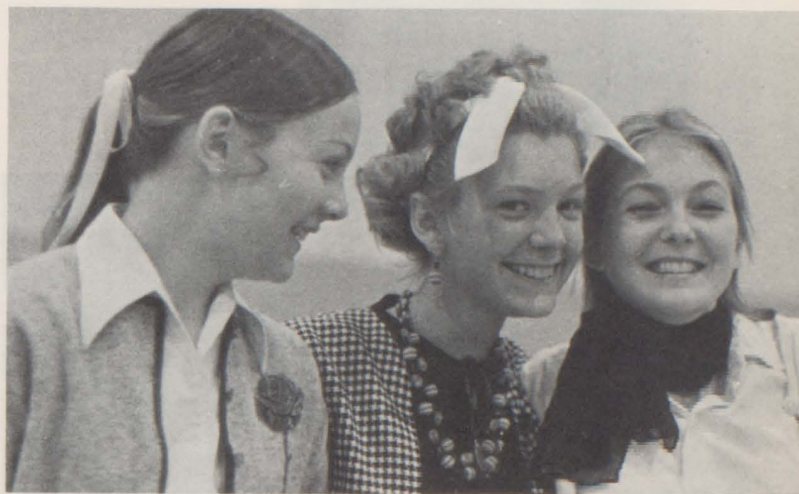

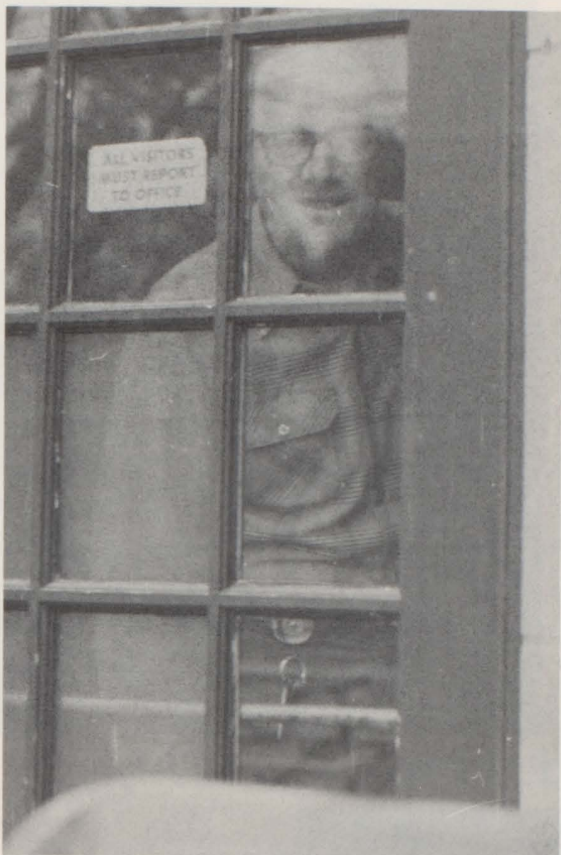

Rob doing his thing.

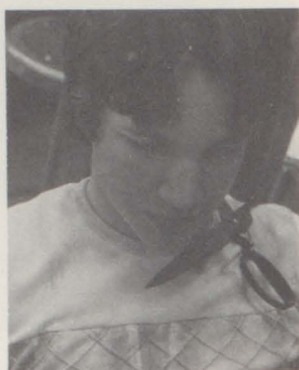

CHEERS!

But there never seems to be enough time. . .

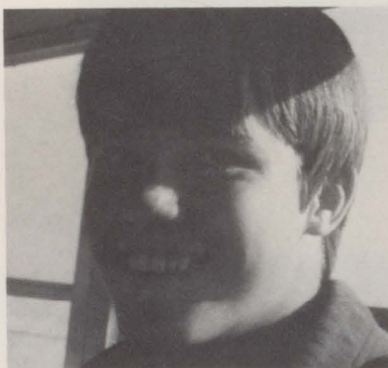

You must remember this,
A kiss is still a kiss,
A sigh is just a sigh;
The fundamental things apply,
As time goes by. . .
And when two lovers woo, they still
say "I love you" on that
you can rely, no matter what
the future brings,
As time goes by. . .

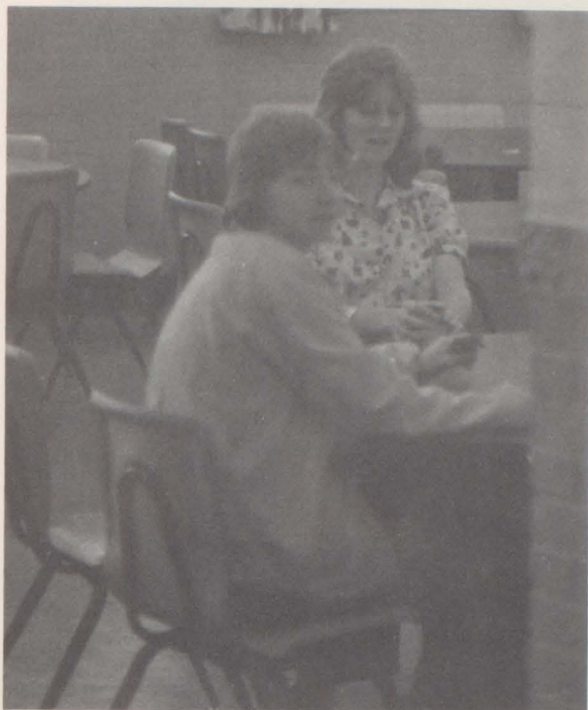

Can't you figure it out, Gina?

. . . To do the things you want to do
once you find them.

I've looked around enough to know,

That you're the one I want
to go through time with.

Before. . .

After.

Peek-a-Boo Carla.

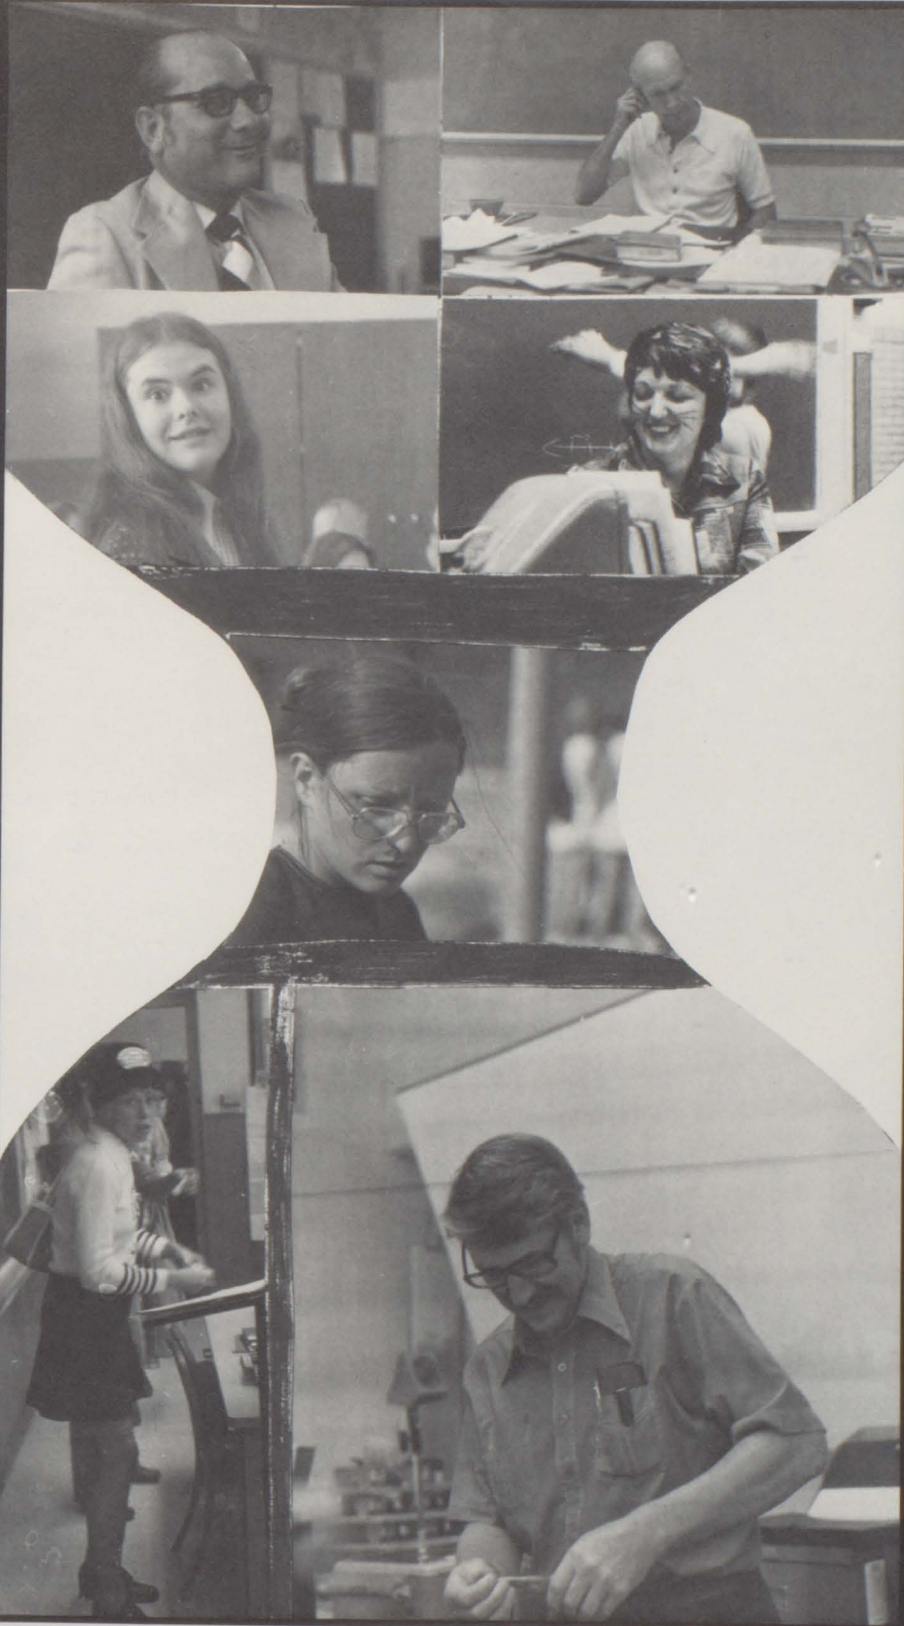

Memories light the corners of my mind,
Misty water-colored memories
Of the way we were.
Scattered pictures of the smiles we left behind,
Smiles we gave to one another
For the way we were.

Can it be that it was all so simple then,
Or has time rewritten every line?
If we had the chance to do it all again,
Tell me would we? Could we?

Memories may be beautiful, and yet,
What's too painful to remember we simply
Choose to forget.
So it's the laughter we will remember,
Whenever we remember the way we were.
THE WAY WE WERE.

The cheerleaders helped keep Homecoming week exciting by sponsoring the following days: "Anything Day, Nose & Whisker Day, Crazy Hat Day—" and the most popular "Greaser Day." The Bon-Fire, Thursday night, was a big success with many people attending. The Parade was held Friday afternoon when the Junior float took first place and the Freshman took second. Alice McKinstry was crowned Homecoming Queen.

HEART FUND

For the past twenty-four years, February has been designated as Heart Fund month at PCHS. It has become a tradition for clubs, organizations, and individual groups to sponsor money-making projects for the Heart Fund.

Twenty-five years ago on March 13, 1952, the PCHS student body dedicated the Mary Kuykendall Carpenter Heart Fund Memorial and presented the charter in a special assembly to Mrs. Helen Kuykendall. Mrs. Kuykendall was then the librarian and senior honors English teacher at PCHS. Her daughter, Mary, had been graduated from PCHS on May 31, 1943. When she was only 26 years old, Mary died as a result of heart disease on March 3, 1952. The students had felt a keen and sincere sympathy for Mrs. Kuykendall, and from their desire to express their feelings came the proposal by the Student Council for this memorial. Since that time, each year during February, the Student Council has assumed leadership in the annual community drive.

The first annual contribution was sent to the American Heart Association in 1953, and it was specified that the full amount be used for research. Since 1953, the PCHS student body has sent in no less than \$1000 each year. The George Washington Freedom Foundation Award was given to PCHS in recognition of this project in 1954. We have collected and donated more than \$35,000 over the past years.

Since 1973 an annual donation has been given to the Pinckneyville Community Hospital to purchase needed equipment to check, monitor, or treat people with heart problems.

MINI-COURSE SESSION

Some of the courses were work...

Some were interesting...

Because of bad weather this winter, there were no days left for a spring vacation. Rather than have regular classes on these days that we had to be in school, we had a Mini-Course Session. A new schedule involved teachers, guest speakers, and students in various types of classes that were different from routine, but it was also an effort to teach new skills and improve others. Most students and teachers felt that the Session was an interesting and profitable experience.

The Mini-Course Session was part of the Gifted Education Program in our school, a program that identifies and works with students who have special talents in the areas of general intellectual ability, specific academic aptitude, creativity, visual and performing arts, and leadership. Courses involving students in each of these categories were offered during the Mini-Course Session.

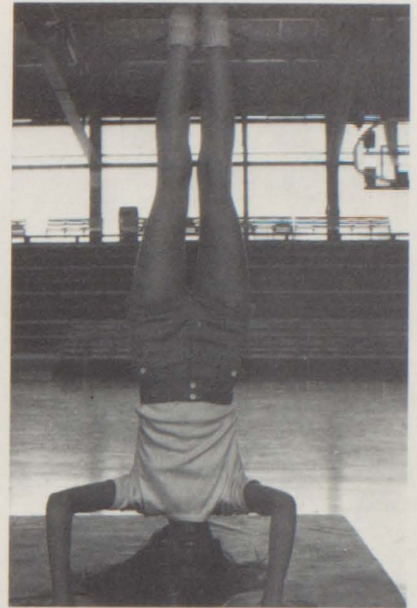

Some were surprising and...

Some were fun!

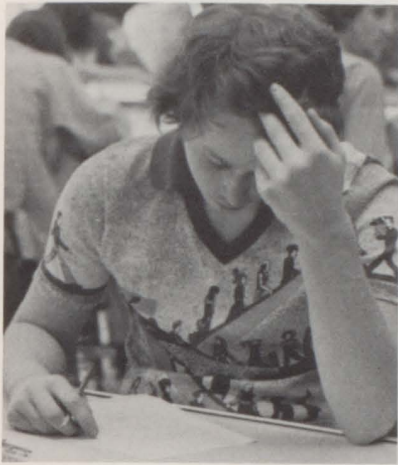

Students learned architectural drawing...

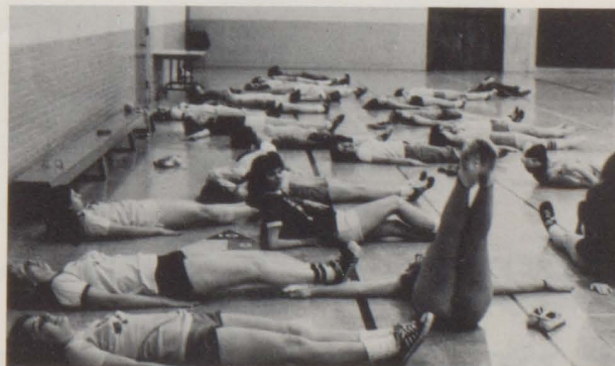

Head-stands...

Photography...

Archery...

and, to lay around.

Some people can't tell a door from a window.

Long John Silver's first mates.

Mr. Robb, first thing in the morning.

Taking it easy.

The Seniors went to Nashville, Tennessee for their class trip. When they arrived on Friday, the group took a tour of Nashville. They saw where some of the famous country singers lived, and then toured the Grand Ole Opry House, which is also known as the Reidman Auditorium. They also visited the Parthenon and Country Music Hall of Fame. That night some of the Seniors went swimming.

Saturday the Seniors went to Opryland. There they rode all kinds of rides, saw live country music, and shopped at the gift shops for souvenirs. That night they saw Tanya Tucker, Hank Snow, Ernest Tubb, and Doc Severnson at the Grand Ole Opry.

Sunday came time to start packing. But first, the Seniors went to the Hermitage. This is where Andrew Jackson lived with his family. They also toured Tulip Grove, where Andrew Jackson's nephew lived. Andrew Jackson built the house himself for his nephew as a wedding gift.

	REGIONAL SECTIONAL	

This year was one of thrills and chills as the Panthers seemed to pull off the big game when needed. Wishing his kids could have played the whole season the way they played the last quarter of their schedule, Coach Corn felt they may have advanced further than just the Sectional final. Winning their own Regional, the Panthers were to be rooted out of play in the final game of the Sectional by Marissa. Ending the season with a mark of 17 wins to 12 losses, the Panthers proved to the school and their fans they were a team with spirit and pride.

FRESHMENS' TIME HAS JUST BEGUN

The frolicsome freshmen started the year's activities off with the decorating for their homecoming float, "Put Out The Wildcats." They held their annual candy sales to raise money for their class trip to Six Flags. During February they also took part in the Heart Fund Fair with a free throw toss. The freshmen's time has only just begun.

"Who, me?"

Sophomore Class Officers; left to right: Rose Mann, president; Jane Miller, vice president; and Darlene Kellerman, secretary-treasurer.

The spirited sophomores started the year's activities by selling yearbook calendars. They took third place with their homecoming float "Toast 'Em or Take 'Em Plain." Other activities included a balloon-popping booth, and an M&M guessing jar at the Heart Fund Fair. As a money making project they sold tapes and records. To celebrate the closing of their second school year in high school, the sophomores went to Six Flags for the annual class trip. Their time in a bottle is now half filled.

The jubilant juniors won first prize with their homecoming float entitled "Hey, Hey, Hey! Squash the Wildcats." As in years past they ordered those long awaited class rings. Again this year the juniors sold Q.S.P. products to make money for the prom. They hosted a successful prom which dreamily captured time in a bottle with the theme "A Midsummer Night's Dream."

Officers, left to right: Bonnie Kellerman, secretary; Ann Cawvey, president; Doug Hester, historian; Becky Benedict, activities chairman; and Penny Lindner, vice president.

The French Club was a busy club this year, starting the year off last fall with a wiener roast to elect officers. Next, they had a crepe party, where everyone thoroughly enjoyed eating different types of crepes. They took part in school spirit by cheering in French at one of the football games last fall. They did especially well in the homecoming parade, taking 1st place in organization floats, and ending the homecoming festivities with boys acting as can-can girls in the variety show. For Christmas, they had a party with the Spanish Club and everyone brought French pastries, complete with *Buche de Noel* (Christmas cake). The French classes took a break from school this year, and went to St. Louis and heard Robert Pequette et Ses Amis from Canada. Next came February and the French Club organized and co-sponsored the Heart Fund Fair, specializing in the Discotheque, Crepe Stand, and Pastry Shoppe. They ended the year with a French dinner in the spring.

The Spanish Club met in September and elected officers. They made plans for their annual money-making project, the Mardi Gras Taco stand. For Christmas they held a party with the French Club after going Christmas caroling in Spanish at the hospital, nursing home, and various homes. In February they co-sponsored the Mary Kuykendall Carpenter Heart Fund Fair which was very successful. Their activity was to sell ojos and Pinatas, and to have a taco stand. In March, 35 members made the trip to St. Louis to eat at La Hacienda, a traditional Mexican restaurant. During the regular class day the Spanish II and III classes made the trip to St. Louis to see the Boston Flamenco Ballet.

Officers, left to right; Tom Kelly, vice pres., Liz Dudek, treasurer, Donita Giacomo, president, and Mary Tanner, secretary.

CONGRATULATIONS SPECIAL OLYMPIANS

These P. C. H. S. students attended the Special Olympics in Carbondale at Bleyer Field. Those who won a 1st or 2nd place medal are eligible to participate in the State Track and Field Games in Chicago at Soldier's Field in July, 1977.

"You say you admire bravery? They've got it. You admire athletic prowess? They've got it. You want a hero who won't let you down? No way. You want a hero you can look up to? Someone your own age? You got it.

I offer you the 1977 Special Olympics Teams from the United States...400,000 kids who ran races in their wheelchairs, track and field on crutches, played volleyball, and swam.

The teams this month competed and racked up 400,000 medals. Everyone who comes across the finish line gets a medal and a hug. Their motto is 'Let me win, but if I cannot win, let me be brave in the attempt.'

The stories that come out of this competition are enough to bring tears. The volleyball game where the coach was screaming 'WIN,' and one of the players walked off the floor over to the coach and said, 'I couldn't hear you with all the noise. What do you want?! The runner who, when the gun went off, put his hands over his ears. The sprinter who was leading, but who went back to pick up her fallen friend.

No heroes? Believe me, no one feels so tall as when he stoops to put a medal around a Special Olympian".**

GOODBYE

Goodbye

1977 ANNUAL STAFF SAYS

GOODBYE.

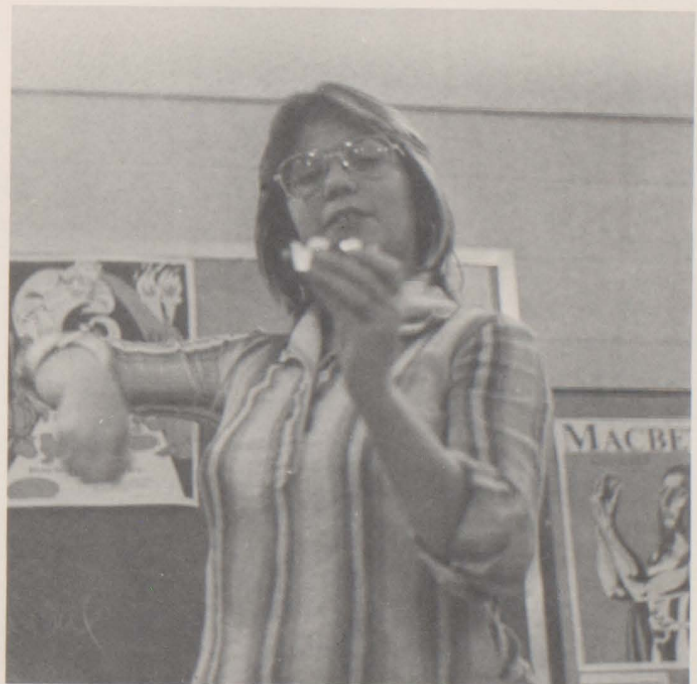

Kaye Olson

Never in our lives, has there been one person, who has taken time out to show us life and the meaning of love...

Never will there be another person like her... or one we have loved as much.

She taught us to be ourselves... She gave her time to help us... and she helped us make beautiful memories, which will always be with us.

In Loving Memory Of
Kaye Olson

GOODBYE

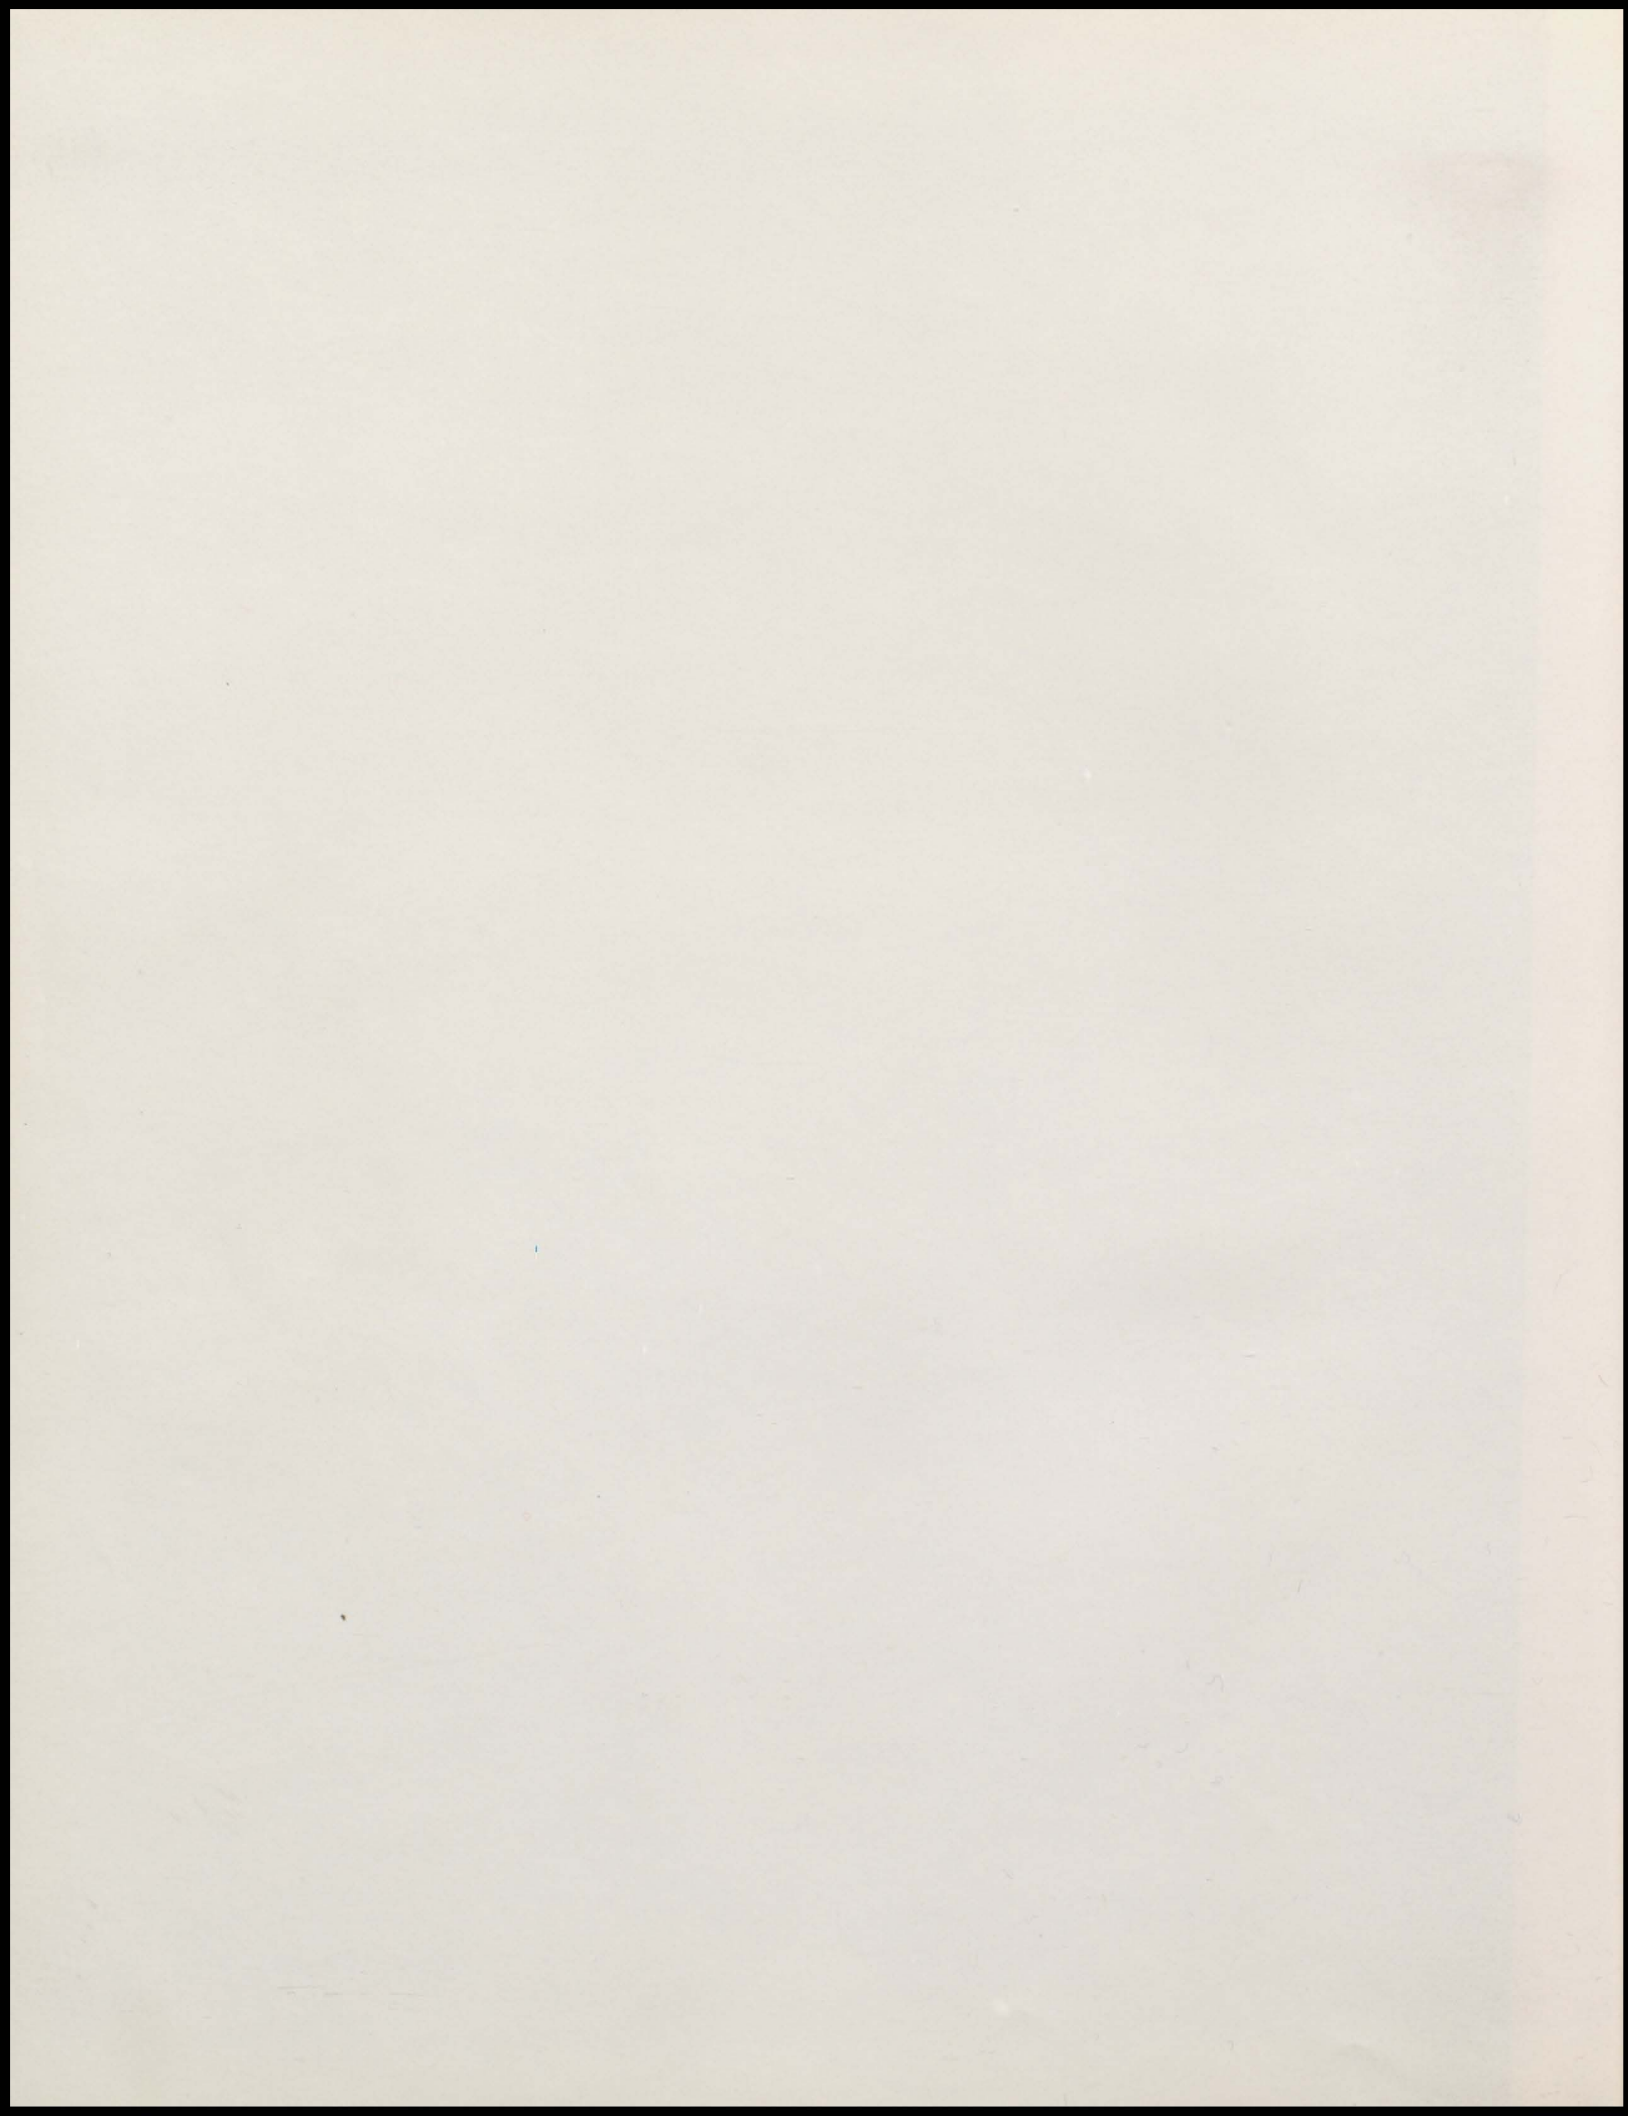

and you

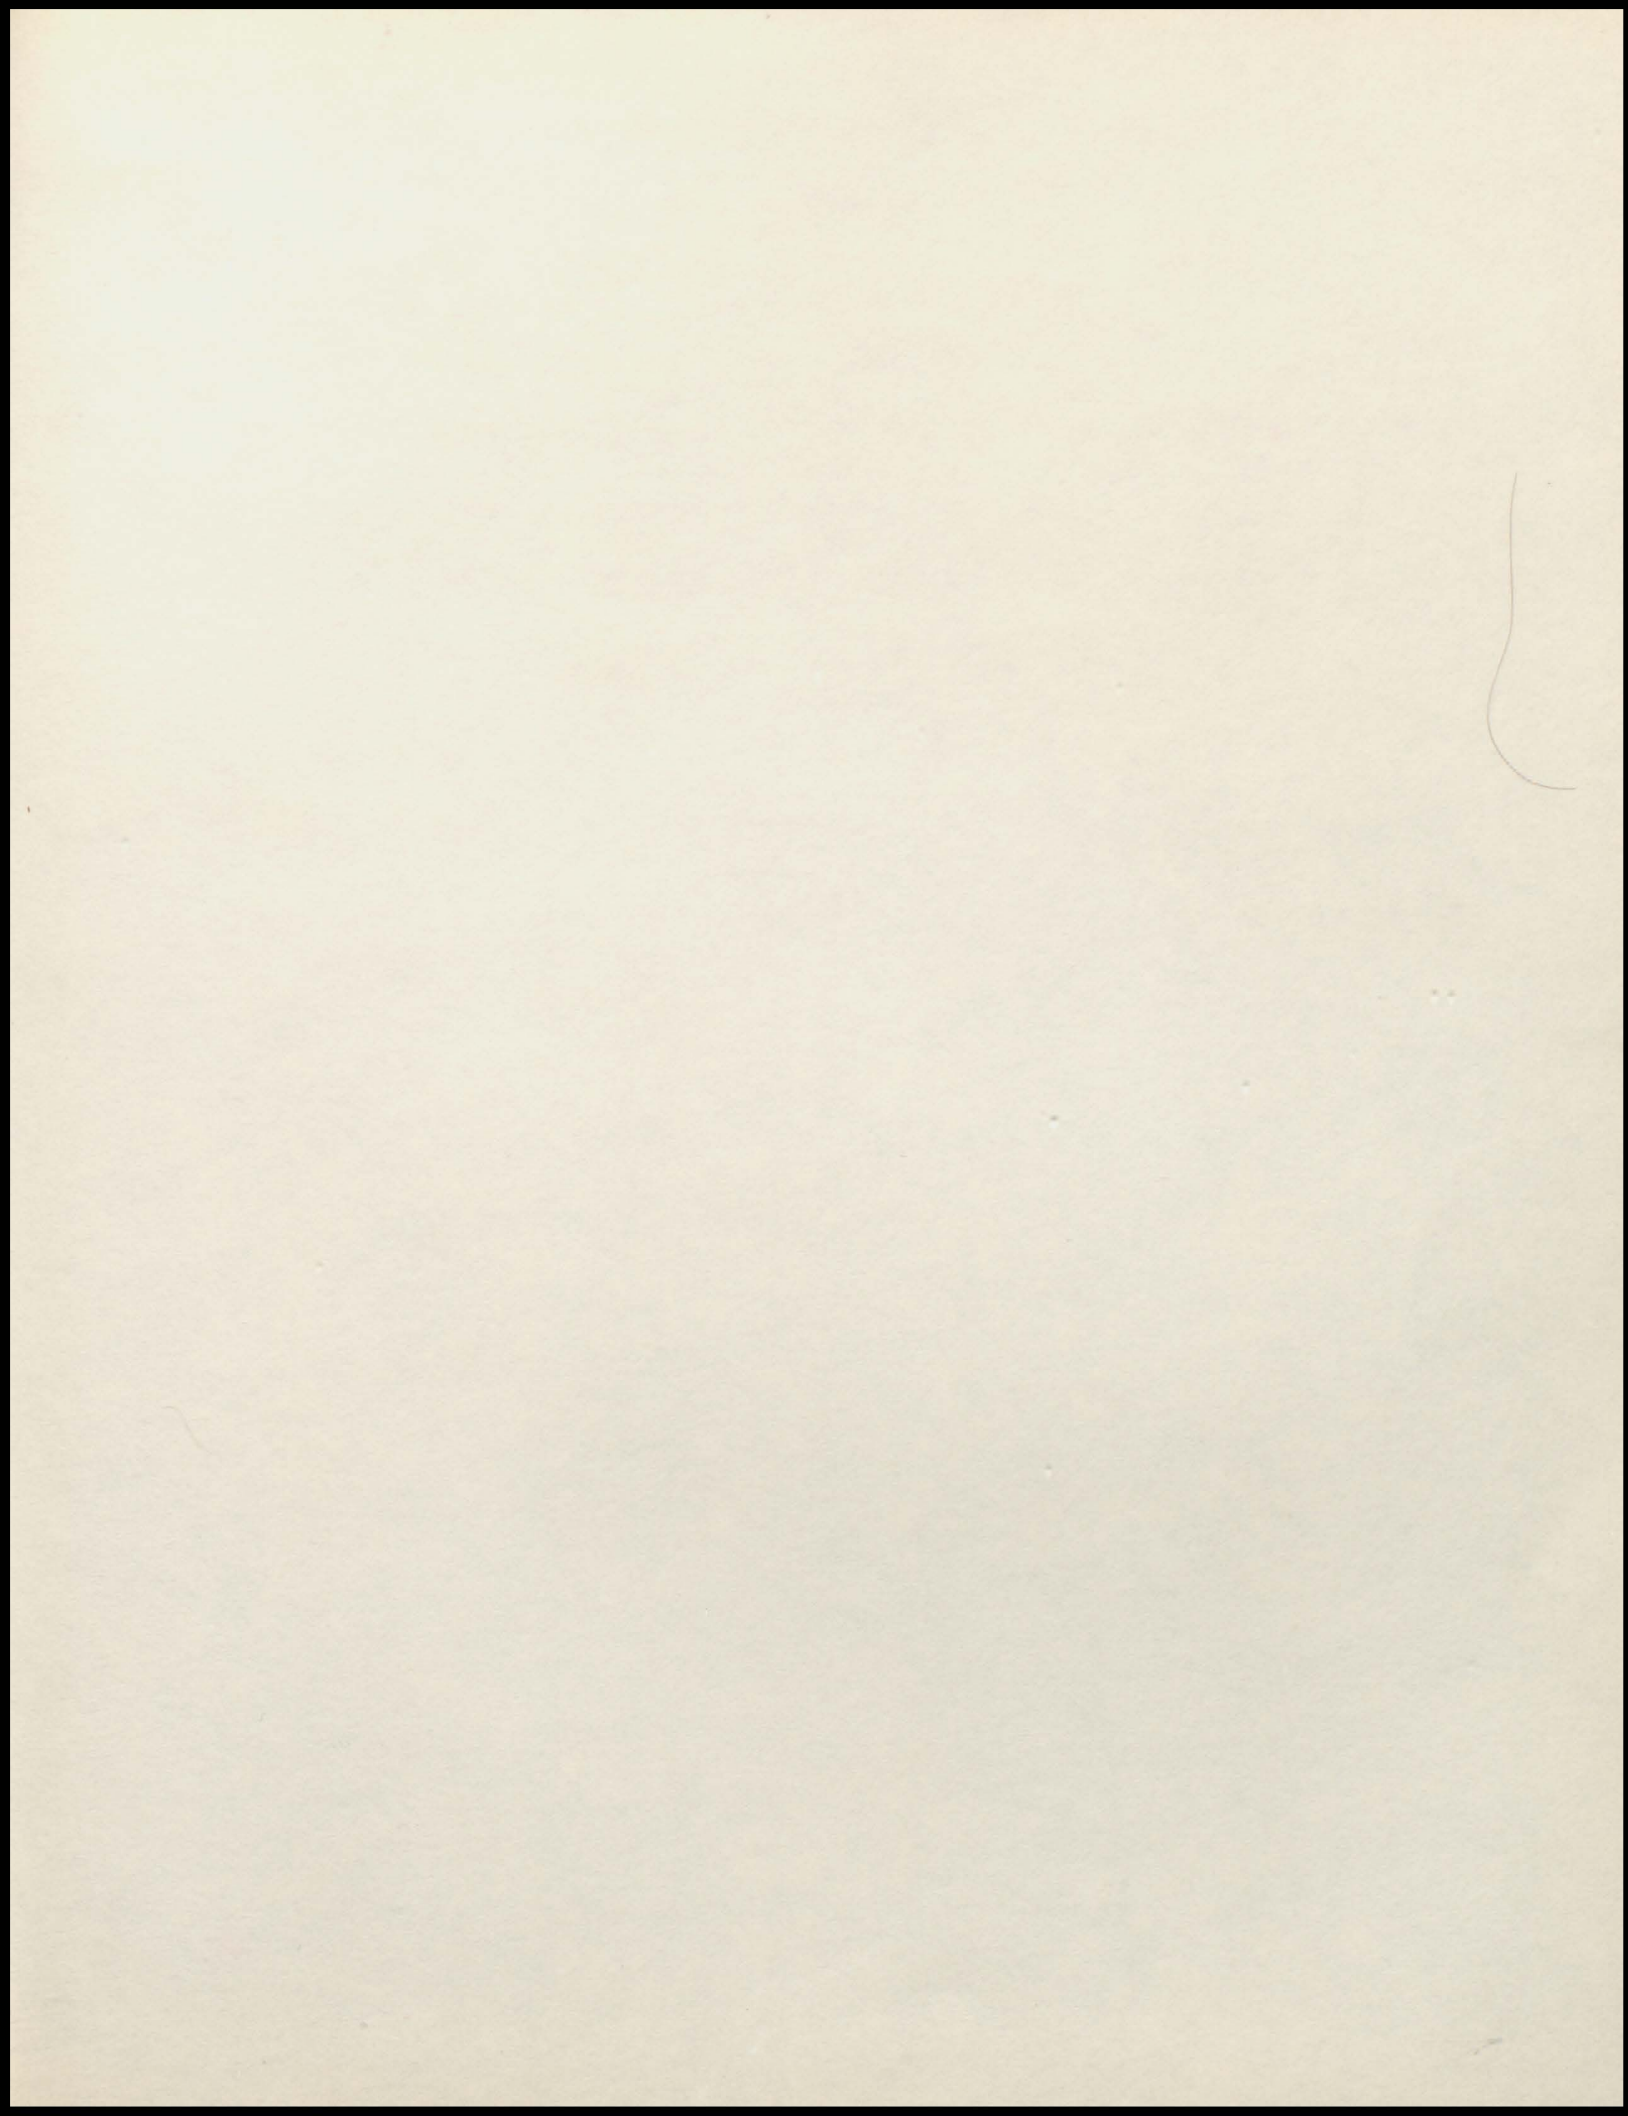

There is a world
where you can find
the things you need
and the things you want
in the heart of the city
where the sun is always
shining and the rain is
always falling
